

Lloydminster Minor Hockey

Female U11, U13 Director 2024 – 2025 Season Report

U13 AA – AFHL

Second year of the U13 AA team playing in the AFHL. They did very well. Bronze medal in provincials.

Under the Elite division of LMHA.

U13 – ECAFHL

Two teams in the ECAFHL. Both teams were very competitive. 582 finished 2nd in the league and team 581 finished 4th. Team 581 went to the U13B provincials and finished 2nd. 582 went to the U13A provincials and lost every game.

Likely run the same next season.

U11 – Lloydminster City League

Second year for U11 girls to play in the U11 Lloydminster City League. Four Female teams.

481 – Tied for 1st.

482 – Placed 4th.

483 – Tied for 1st.

484 – Placed 7th.

Team 481 played team 483 in the league final. Team 481 won the league.

Goaltending is an issue. We need more goalies coming out of u9 and kids willing to play goal in u11.

U11 female teams were handled by the U11 director after the teams were made.

Likely run the same next season

Other

I am not aware of any discipline action required against any players, coaches or parents on any of these teams.

A lack of goalies is an issue coming out of U9. Parents should know that goalie gear is available. Hopefully bring in more girls that want to play goal.

U11 playing in the city league again was a success. Plan to do the same next year.

Thanks,

Steve
